INTERNATIONAL CONFERENCE

Sustainable Production and use of
Cement and Concrete

June
23 – 30
2019

Cayo Santa Maria
CUBA

Important Dates

Abstracts Deadline	25 February 2019
Acceptance	25 February 2019
Final extender abstract	1 April 2019
Courses Pre-event	21-22 June 2019
Conference	23-30 June 2019

Pre-Event Course

Friday 21.06.2019			Saturday 22.06.2019		
9:00	10:30	Conferences	9:00	10:30	Practical activity in the CE QA Pilot Plant
10:30	11:00	Coffe-Break	10:30	11:00	Coffe-Break
11:00	12:40	Conferences	11:00	12:40	Practical activity in the CIDEM's Laboratories
12:40	14:00	Lunch	12:40	14:00	Lunch
14:00	16:00	Conferences	19:00	21:00	Joint Dinner- Course Conclusions
16:00	16:30	Coffe-Break			
16:30	18:00	Conferences			

TOPICS

- Present tendencies in sustainable production of low carbon cements.
- Novelties in development of Supplementary Cementitious Materials. Calcined clays, natural pozzolans, fly ashes, blast furnace slags.
- New techniques of microstructural characterization of construction materials.
- Portland base and Alkaline activated cementitious systems.
- Development and use of additives and additions in the sustainable production of concretes.
- Sustainable production of high-performance concrete.
- Durable concretes produced with recycled aggregates.
- Development of mortars to historical patrimony restauration.
 - From microstructure to concrete durability.
- Sustainability vs. useful service life in concrete for infrastructure works.
- Environmental and economic assessment of production and use of cement

Registration Fees

Delegate	Companion	Posgrad Student
\$ 400 .00 CUC <small>hasta del 23/05/2019</small>	\$ 100 .00 CUC <small>hasta del 23/05/2019</small>	\$ 200 .00 CUC <small>hasta del 23/05/2019</small>
\$ 450 .00 CUC <small>después del 23/05/2019</small>	\$ 150 .00 CUC <small>después del 23/05/2019</small>	\$ 250 .00 CUC <small>después del 23/05/2019</small>
Undergrad Student	Non-contact participant	Commercial Exhibitor
\$ 150 .00 CUC <small>hasta del 23/05/2019</small>	\$ 100 .00 CUC <small>hasta del 23/05/2019</small>	\$ 150 .00 CUC <small>hasta del 23/05/2019</small>
\$ 200 .00 CUC <small>después del 23/05/2019</small>	\$ 150 .00 CUC <small>después del 23/05/2019</small>	\$ 200 .00 CUC <small>después del 23/05/2019</small>

Conference General Program

Monday 24.06.2019		Tuesday 25.06.2019		Wednesday 26.06.2019		Thursday 27.06.2019		Friday 28.06.2019	
08:00	11:00	09:00	09:30	09:00	09:30			09:00	11:30
Participants Accreditation at UCLV		Keynote Conference Opening Prof. PhD. Fernando Martirena		Keynote Conference G. Habelt		Symposium for Long Term Marine Observation		Convention Closing 2021 Call	
12:30	13:30	09:30	10:30	09:30	10:30			11:45	13:30
II UCLV International Conference Opening Gala II		Session 1: Cement		Session 3: Impacts		Hotel Check-out		Lunch	
13:30	15:00	10:30	11:00	10:30	11:00	11:45	13:30	13:30	15:00
Lunch		Coffe-Break		Coffe-Break		Participants departure to Habana		Participants departure Santa Clara	
15:00	15:45	11:00	12:40	11:00	12:40	15:00			
Santa Clara City and Che Guevara's Square Visit		Lunch		Lunch					
16:00	18:00	12:40	15:00	12:40	15:00				
Departure to Northern Keys		Session 2: Keynote Conference on Concrete. B. Mildon		Session 4: Keynote Conference on Useful Life. R. Torrent					
18:00	22:00	15:00	16:00	15:00	16:00				
Hotel Reception		Coffe-Break		Coffe-Break					
22:00		16:00	16:30	16:00	16:30				
Welcoming Cocktail		Session 2: Concrete		Session 4: Useful Life					
		16:30	17:30	16:30	17:30				
		Joint dinner with the Participants		Conference Closing					
		19:00		17:30	18:00				
				Salsa Classes					

Accepted 6 pages extended abstracts* from the conference will be published by SPRINGER as a proceedings book volume and will be indexed in Scopus.
